Dear Colleagues:

Date and Venue:

The workshop in Paris focuses on “Athletes” and “Career Programmes” and aims at conceptualizing guidelines in these fields to promote dual career. Presentations on dual career, good practices as well as on the preliminary results of the A2B questionnaire will precede the workshop. Please see also the programme attached.

The success of the workshop will largely depend on your active participation. Therefore, we would like to kindly ask you to contribute to the discussions in general but in particular on career programmes in your country or of your organisation.

Each project partner may nominate 1 additional participant to the workshop (total of 2 participants per organisation) whose travel and accommodation costs will be reimbursed by A2B. The additional participant is ideally also knowledgeable in the field of dual career.

Please **confirm your participation** and **nominate** your additional **delegate as soon as possible** – until 26 April at the latest by sending an email to trinker@euoffice.eurolympic.org.

If you have not done so, please also make your travel arrangements at your earliest convenience to guarantee reasonably priced tickets.

For any further information, please feel free to contact us.

We are looking forward to seeing you in Paris.

With best regards,

A2B Project Management Team
